From	To	Salaries per annum		Exact title of your post :
Month/Year	Month/Year	Starting	Final	
October, 2013	July, 2014	₦ 4,178,184.00	₦ 4,178,184.00	State WASH Consultant
Name of Employer : UNICEF NIGERIA (SSA)				Type of business: Giving Technical Supports to State RUWESA on WSSSRP-II EU/UNICEF Programme of the 10 <sup>th</sup> EDF
Address of employer: Unicef Country Office, Abuja (FCT), Nigeria				Name of supervisor : Mr. Patrick Osuocha (UNICEF B-Field Office, Nigeria)
				Number and kind of employees supervised by you : State RUWESA Staff, 100 LGA's Facilitators in 2 LGA WES Dept, 2 LGA WASH Consultants and 268 Community WASHCOMs
				Reason for leaving: The State where am working is the leading state on WASH programme Implementation in the zone, leaving will enable me to use my wealth of experience to assist other states to rise as well.

**DESCRIPTION OF YOUR DUTIES**

- Provision of technical support, mentoring, monitoring and supervision of project activities at State, LGA and Community levels.
- Support consensus building among stakeholders in the State on key elements of the WES reform process and ensure a *clear understanding of the roles and responsibilities* of the State and Local Governments especially in community selection, procurement processes and application of cost sharing guidelines.
- Facilitate the development of the *planning framework*, which links community action plans to LGA-level plans and State-level plans. This will include preparing state specific work plans/micro plans (covering water supply, sanitation and school WASH components) to be implemented in the State as per Annual Work Plan. Support RUWASAs to share these plans, if required, with relevant ministries/agencies such as FMAWR for reservation of fund under counterpart funding
- Liaise closely with *other key donors* and other donor-assisted programmes in the State and ensure synergies in the area of development of sector wide plans, coordination, domestication of sector policies and scaling up/replication of WASH interventions considering reform processes including community and LGA self selection, VLOM, WIMS/SIMS, and CLTS amongst others
- Provide technical assistance to the State Rural Water and Sanitation Agencies (RUWASAs) in the implementation, monitoring and supervision of agreed annual work plans with greater focus on ensuring quality of construction and that the facilities are provided in the planned locations.
- Provide *regular supportive supervision and monitoring* of the activities of the State WES Agency, LGA WES Departments/Units, NGOs and Private Service Providers against agreed plans, targets, and technical design, specifications and standards. Support physical verification (by independent state verification team or third party) of completed facilities to ensure that quality of construction is conformed to agreed designs and specifications before certification and payment to the contractors.
- Assist LGA WES Departments / Units to establish effective *community-level institutions*, and assist such an institution to plan, manage and monitor WES activities.
- Ensure that the State RUWATSA, LGA WES Department/Unit and Communities regularly *monitor progress against agreed plans and targets* and assist with the implementation of the overall WES monitoring system including monitoring of the availability of counterpart contribution.
- Support RUWASA in maintaining a regular flow of information among stakeholders at all levels and establishing data room where all information and documents relating to the tendering/contracting/payment processes, monitoring and progress can be obtained.
- Develop work plans with UNICEF Field Office Project Officer (WES) and submit *monthly reports* to him/her summarising activities and achievements against the agreed work plan using the approved formats for progress updates. The reporting also includes updating log frame and result matrix at the State levels on six monthly bases. More detailed mid-year, annual, and donor specific reports are to be submitted separately.
